*"Therefore, stay awake, for you know neither the day nor the hour."*
*Matthew 25:13*
Many of us have put off doing something because we think we are too busy. We've all said, "I'll do it later when I have time." Unfortunately, too many of us apply this attitude to our Faith. Jesus' call is urgent, in the here and now, in your current circumstances. How is God calling you to use your gifts today? Don't delay. None of us is guaranteed tomorrow.

Ground Zero Tour

Immaculate Center Parish Center, 1920 Richmond Avenue, Mattoon

6:30 P.M. Monday November 16th

IC is hosting 1 of several stops of this Illinois Right to Life educational program on the dangers surrounding the new physician-assisted suicide law that went into effect in September '26.

For the first time in our state's history, doctors can prescribe lethal medication to patients for the purpose of ending their lives. Under the new law when a person dies after taking these drugs, the under lying illness-not physician-assisted suicide-is recorded as the cause of death. The lethal medication is not recorded on the death certificate.

Vulnerable patients and their families will now face extraordinarily difficult decisions involving terminal diagnoses, depression, disability, financial pressures, possible coercion, and questions about whether every alternative has truly been explored.

You will come away from this event with a better understanding of what this law does, what choices remain available and where you can turn for help.

This issue can potentially impact each of our families. All are encouraged to attend.
