## Ms. Aumann's Notes...

Week 19- **WELCOME TO A NEW YEAR.....**I was thrilled to be back in the classroom this week! I told the students-even if they were not completely excited to be back- I was excited enough for all of us. It was a busy week. We jumped right into curriculum with both feet!

### Curriculum Notes

**Religion**-Seventh grade will be hosting a special event during Catholic Schools Week called "A Parade of Saints." Each student will 'become' a saint and give a short, memorized speech. They students will dress like the saint and create a poster. The students have all selected a saint-ask your child what saint he/she has chosen. We read the Gospel to be prepared for Sunday Mass. John 2:1-11-Jesus turned water into wine.

**Vocabulary**-We finished our cumulative unit and created a vocabtoon. Next week, we will be have a new word list. Currently, we have 1,817 words for the Vocab count. Goal....10,000!

**English**-We worked on a mini-research activity, called a Character Head. Students were briefly introduced to African-American difference makers. Students chose a person to research. They found facts, a quote, and images about their person. We also did daily oral language and started working on a concrete poem.

**Reading**-We started a new book and study of unit. This quarter we will be looking black and white relations. We started off with an anticipation guide and a quick-read called "The Jacket."

**Science**-We worked with a partner to create a marshmallow catapult and brainstormed ways to make the design better. We started chapter 5-plant processes. We drew the layers of a leaf and worked on vocabulary.

Have a restful and healthy three-day weekend. Thanks for all you do for Sacred Heart School. It is appreciated. Take care.
