

Seventh Grade Newsletter

Volume 11 Issue 31 ~ April 8, 2022

Therefore, encourage one another and build one another up, as indeed you do.

1 Thessalonians 5 : 11

Ms. Aumann's Notes...

Week 31 - **We finished our MAP testing!** This is always a good feeling and a sign the end of the year is nearing. These scores are submitted to the diocese, and as a teacher I study these scores closely—looking for growth. Students also worked diligently on their research papers. It was a busy and productive week. All we needed was warm weather!

Curriculum Notes

Religion-We worked on chapter 7-Our Lord and Savior, Jesus Christ. We discussed vocabulary-annunciation, incarnation, immaculate conception, and nativity. These words lead to the humanity of Jesus. We discussed Palm Sunday. The students are encouraged to attend Mass as this begins our Holy Week. The Passion (From the Gospel of Matthew) was divided up, and each student had a part and created a 'blackout poetry piece.'

Vocabulary- Again, we stepped away from our vocabulary book and worked on research papers. We did do a vocabulary word check. We have 6,498 words!

English-The students are doing an excellent job finding facts about their person! I love when they share a random fact here and there about their person. Next week, we will finish up the research for all the sources. We will work on the outline and works cited pages. I will give the final due date when we return from Easter break.

Reading-We almost finished *Roll of Thunder Hear my Cry*. We only have a few more pages. We worked on vocabulary.

Science-We worked through two sections in Chapter 13-the nonliving environment. We discussed the rain shadow effect by creating a graph of rainfall for a mountain range. Our chapter test will be next Wednesday.

Have a blessed Palm Sunday and a peaceful Holy Week. God bless.

Look Who Did What!

Avery & Brooke- for ringing the bell

Sadie -for LOTS of vocab words

Tynlee, Brooke, & Conner-for representing SHS on the PJHS track team

Adriyana- for details on her Biome research

Jackson-for participating in a drum concert

Avery-for sharing her hunting experience

Truman-for math skills

Sadie-for excellent discussion during book club

Brenna- for a beautiful blackout poetry piece

Ryan-for showing good manners to a parishioner

Calendar
