What it means to you...

It is estimated that the cost to educate a child at SHS in 2023-2024 will be \$7,597. Our school is funded by our Church, through Generous Donations and by our School Families.

Our Tuition Reimbursement Program provides parents an opportunity to offset the tuition that is paid for their child's education by participating in events that raise funds through the school. By reaching our goal each year, we are able to keep tuition rates affordable for our families.

We would like to say **THANK YOU** to all our school families for your continued support in making our school hosted events a success!
