Therefore, encourage one another and build one another up, as indeed you do.

1 Thessalonians 5 : 11

Ms. Aumann's Notes...

Week 28 - We have arrived at the **LAST** quarter of 7th grade—we needed to do a lot of praying this week for members of our Sacred Heart School family. I told the students—this is ONE of the many, many benefits of attending Sacred Heart School....we can pray openly together as a family.

Curriculum Notes

Religion-We started chapter 4- God's plan for Salvation. We discussed Abraham as part of salvation history. We also discussed name changes and how it represents a new direction in our lives. Lastly, we read the Gospel to be prepared for Sunday Mass. (Luke 13:1-9). Great parable about the fig tree!

Vocabulary-We finished our cumulative unit and took our assessment. Next week, we will be back into a regular unit. We will work on a timeline for our writing activity. We now have over 5,000 words in our Vocab Jar!

English-We worked on informational text. The topic-vaping. Three different sources were shared- one about statistics, one about the physical effects, and one a personal story from a former vaper. All three pieces will be used to write a formal essay. Next up....research papers!

Reading-We finished seven chapters in *Roll of Thunder Hear my Cry*. We worked on vocabulary and a graphic with characterization as the focus.

Science-We started chapter 12- Interactions of Life. This chapter focuses on animals and their interactions with other species and the environment. We also reviewed our past chapter with task cards.

Have a wonderful weekend! If you happened to have filled out a bracket...good luck! Mine is already busted! I will be watching games all weekend and hopefully cheering my ILLINI onto victory. God bless. THANKS for all your do!
