TUITION REIMBURSEMENT PROGRAM CONTRACT

2024-2025

You are hereby enrolling the student(s), as disclosed below, for education at Sacred Heart School (hereafter “SHS”) and you hereby agree to pay all costs as stated herein. **THIS IS A BINDING CONTRACT.** You are advised to seek legal assistance if you do not understand any terms or conditions of this agreement.

The cost to educate one child is \$8,341. In order for SHS tuition rates to remain affordable, parents must participate in the Tuition Reimbursement Program (hereafter “TRP”) **OR** pay their portion of the Tuition Reimbursement in addition to their tuition as stated below.

I/we, the undersigned, parent(s) or guardian(s) of the students listed on the Tuition Contract, agree to the following conditions for the 2024-2025 school year: I/we agree to pay Tuition per the *Sacred Heart School Tuition Contract*, **AND** will also:

Opt Out – I/we choose to opt-out of the Tuition Reimbursement Program for 2024-2025 (no selling or working) and will pay an opt out fee of **\$2,676.00**. NO OPT-OUT

I/we **WILL** participate in the Tuition Reimbursement Program for 2024-2025.

TRP participating families are required to sell/work TRP events as assigned to reach the TRP goal amount of \$190,000. Funds raised beyond \$190,000 will reduce the amount of “bequest” funds used in our 2024-2025 budget. However, should enough NEW bequest funds be received during the 2024-2025 school year to cover the entire amount of bequest funds budgeted, then TRP funds beyond the required \$190,000 will be applied to the 2025-2026 school budget. After the TRP goal of \$190,000 is met, the Fundraising Committee may *choose* to host additional events. These events would *not be required* of TRP families, but ALL school families would be strongly encouraged to participate in these extra events.

The name listed on the Parent Assignments will be the same as what is submitted on the Registration Application. If the signed contract is not fulfilled - Tuition Reimbursement NOT paid or participation in the Tuition Reimbursement Program not completed as required – 4th Quarter Report Cards will be held, and Graduation ceremonies will not take place for each student of the family. Any family failing to uphold this contract will be contacted by Father for further action.
