CATHOLIC CHILDREN'S HOME (CCH)

For the past 143 years, the CCH has served as a beacon of hope for thousands of children in need of safe harbor and a place to call home. It serves the emotional, social, academic, and basic material needs of children sent for residential care or special education services, including children with immense challenges of autism. The children served by CCH have been chronically abused, designated “unmanageable” by their schools, or simply have no home. In the spirit of Christ's incredible love for children, please continue to support this mission and generously contribute to the special Christmas collection.
