Therefore, encourage one another and build one another up, as indeed you do.

## Ms. Aumann's Notes...

Week 26 - **What a special week!** We started with an ALL-school Mass for Ash Wednesday. It was beautiful to be in church together as a school family, a church family, a Catholic family. Father's homily that day, too, was all about being ONE. So, this leads to more good news...we will ALL be going to Mass starting next week on Tuesday, Wednesday, and Thursday! I am so thrilled for this! We need to be at Mass (it feels 'normal'). Another special moment this week was when the Pana High School Girls Basketball Team stopped by. It was so fun cheering for them! We, the teachers at SHS tell our kids, once we have you in class- "you will always be 'our' kids." We welcomed back 'our' kids! What a week!

### Curriculum Notes

**Religion**-We finished chapter 3-creation. We discussed the effects of original sin and the promise of a redeemer. We reviewed Lenten practices and worked on our Lenten display. Lastly, we read the Sunday Gospel (Luke 4:1-13-) and learned that even Jesus was tempted by the devil.

**Vocabulary**-We worked on unit 12. We did a grid to illustrate the vocabulary words.

**English**-We finished our essay on the teenage brain. We started chapter 8-helping verbs.

**Reading**-We finished five chapters in *Roll of Thunder Hear my Cry*. We discussed characterization.

**Science**-We finished chapter 7-animal behavior. We discussed the four main areas of social behavior in animals. We did a fun activity-called the "Fred" activity. It took cooperation to complete the task. Science test next week-I pushed it back due to the early dismissal on Thursday.

Have a prayerful Lenten season. May God have mercy on us. Take care.
