TRP BREAKDOWN PER FAMILY

At SHS, we strive to offer flexible options that cater to the needs of your family. Alongside the established tuition, you have the opportunity to either opt-in or opt-out, allowing you to make the choice that best aligns with your preferences.

Opt-In

The total invested per family is **\$2,075** in sales

You can get help covering the \$2,075 by selling tickets for the fundraisers.

You must sell a specific number of tickets for each event. Work at events as assigned. TRP must achieve the goal of \$190,000.

We estimate that 74 families will attend this school year.

Opt-Out

\$190,000 goal/ 74 families = **\$2,568**

Pay the \$2,568 by **May 16th** to Opt-out and you don't have to sell or work any events!

Items to Remember:

All proposed events are estimated dates and per-family investments based on projected income from fundraisers listed.

The auction is a verbal income fundraiser, and until we have a confirmed total of opt-out families, the schedule is subject to change, but should not exceed the estimated investment provided.
